## **A. Welcome to Humana Healthy Horizons® in South Carolina**

---

Thank you for being a Humana Healthy Horizons in South Carolina member. We are happy you have picked us as your partner in health, and we look forward to helping you stay well!

Humana Healthy Horizons in South Carolina is a Medicaid Product of Humana Benefit Plan of South Carolina, Inc. The plan is run by the South Carolina Department of Health and Human Services to provide better health care for people who are eligible to receive Medicaid services.

The plan is an organization made up of doctors, hospitals, pharmacies, providers of long-term services and supports, and other providers. It also has care coordinator and care teams to help you manage all your providers and services. They all work together to provide the care you need.

To get more information about your health plan and covered services, please see your Member Handbook.

## B. Provider Directory

---

The Provider Directory lists the health care professionals, facilities and support providers in our network that you may see as a plan member. We also list the pharmacies that you may use to get your prescription drugs.

### **What are "network providers"?**

Network Providers include:

- Doctors, nurses, and other health care professionals that you can go to as a member of our plan
- Clinics, hospitals, nursing facilities, and other places that provide health services in our plan
- Home health agencies, durable medical equipment suppliers, and others who provide goods and services that you are eligible for

You must get care from network providers. Usually the plan will not cover care from a provider who does not work with the health plan. Here are some cases when this rule does not apply:

- Plan covers emergency services from an out-of-network provider
- Family planning services from any Qualified Provider of Family Planning Services

Both Member Services and our website can give you the most up-to-date information about our network providers. Please see Section C of this directory for how to contact us.

### **What are "network pharmacies"?**

Network pharmacies are pharmacies that have agreed to fill prescriptions for our plan members. Use this Provider Directory to find the network pharmacy you want to use.

Except during an emergency, you must fill your prescriptions at one of our network pharmacies if you want our plan to help you pay for them.

Both Member Services and our website can give you the most up-to-date information about our network pharmacies. Please see Section C of this directory for how to contact us.

## **Network Service Area**
