† Out-of-network dental providers have not agreed to provide services at contracted fees. The out-of-network provider may bill the member for more than what the plan pays. Members are responsible for this difference between Humana's reimbursement and the out-of-network provider's charges. This is known as balance billing. Benefits received are subject to any benefit maximums, limitations and/or exclusions. Network providers agree to bill us directly. If a provider who is not in our network is not willing to bill us directly, the member may have to pay upfront and submit a request for reimbursement.

Important to know: This plan has a minimum one-year initial contract period. If further clarification regarding coverage and benefits is needed, please ask your dentist for a pretreatment estimate. Payment may include an administration fee. Association membership and fees may be required on some plans in some states. A one-time, non-refundable enrollment fee may apply (the fee is non-refundable as allowed by state requirements). Applicable fees are disclosed at time of enrollment.

The PBA is a not-for profit membership organization that provides health, travel, consumer, and business-related discounts to its members. Visit **Humana.com** for more information.
