

Commonly prescribed drugs Humana will not cover

The commonly prescribed drug list is a guide to prescription drugs in select therapeutic categories that will not be covered and their available formulary alternatives. This is not an all-inclusive list. Humana Healthy Horizons® in South Carolina members must pay full retail price for prescription drugs listed in the “Nonformulary” column. If you feel a covered prescription does not work for your patient or would have a negative effect on their health, please call Humana Clinical Pharmacy Review at 800-555-2546, Monday – Friday, 8 a.m. – 11 p.m., Eastern time, to ask for an exception. We will reply within 24 hours after receiving a provider request. Prescription drugs listed in the “Covered alternatives” category are covered and are the most affordable options.

Drug category	Nonformulary (not covered)	Covered alternatives
Allergy		
Nasal sprays	olopatadine nasal spray; QNASL nasal aerosol spray	azelastine nasal spray; fluticasone propionate nasal spray; ipratropium bromide nasal spray; mometasone nasal spray
