

Network Notification – Humana Healthy Horizons in Indiana

Notice date: April 1, 2025
To: Humana Healthy Horizons® in Indiana provider network for Indiana PathWays for Aging
From: Humana Healthy Horizons in Indiana
Subject: Transportation Service Provider Reference Module update

On Dec. 5, 2024, Indiana Health Coverage Programs published version 6.0 of the **Transportation Services Provider Reference Module**.

The updates include changes to the mileage procedure codes for transportation services:

- To report ground transportation mileage, providers must use procedure code A0425 – ground mileage, per statute mile. For commercial or common ambulatory service (CAS) and nonambulatory service (NAS) transports, you must include the appropriate U modifier (U3 and U5, respectively) with the procedure code.
- Effective for dates of service on or after July 1, 2023, modifiers U1 and U2 are not required when billing A0425 for advanced life support (ALS) or basic life support (BLS) transports.
