

Humana Medicare Insight Network

When members receive necessary routine vision services, they will be covered according to the following schedule.

Vision care services	In-network member cost	Out-of-network
Exam (One per calendar year) Routine eye exam (includes refraction)	\$0 copay	\$0 copay Up to \$175
Eyewear benefit (One per calendar year) Benefit toward the purchase of frame and pair of lenses or contact lenses (conventional or disposable)	Any retail amount over \$150 allowance	Up to \$150

Additional plan details:

Benefit allowance is applied toward the retail price. Member is responsible for any costs above the plan-approved amount.

The benefit can only be used one time. Any remaining benefit dollars do not "roll over" to a future purchase.

Eyeglass lens options may be available with the maximum benefit coverage amount up to one pair per year. Maximum benefit coverage amount is limited to one-time use per year.

Lost or broken materials are not covered.

Benefits are offered on a calendar basis. If benefits are changed or eliminated next year and were not used this year, the member is no longer eligible for them.

Additional discounts:

Member may receive a 20% discount on items not covered by the plan at in-network locations. Discount does not apply to provider's professional services or contact lenses. Plan discounts cannot be combined with any other discounts or promotional offers. In certain states members may be required to pay the full retail rate and not the negotiated discount rate with certain participating providers. Please see our online provider locator to determine which participating providers have agreed to the discounted rate. Discounts on vision materials may not be applicable to certain manufacturers' products. The Plan reserves the right to make changes to the products on each tier and the member out-of-pocket costs. Fixed pricing is reflective of brands at the listed product level. All providers are not required to carry all brands at all levels. Service and amounts listed above are subject to change at any time.

Members may receive a 40% discount off complete-pair eyeglass purchases and may receive a 15% discount off conventional contact lenses once the funded benefit has been used.

Member may receive a 15% discount off the retail price or may receive 5% off any promotional price of Lasik or photorefractive keratectomy (PRK) laser vision correction procedures. Lasik or PRK correction procedures are provided by the U.S. Laser Network, owned by LCA-Vision. Please note that since Lasik and PRK vision correction are elective procedures, performed by specially trained providers, this discount may not always be available from a provider in your immediate location, so members should first call **844-608-2020** for the nearest facility and to receive authorization for the discount.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that may apply to out-of-network services.
