

# Prior authorization is a pain

## TAKE THE ePA WAY OUT

CoverMyMeds' electronic prior authorization (ePA) solution provides an easy way to review, complete and track prior authorization (PA) requests online.

**Faster submissions than phone**  
**Faster determinations than fax**

Submit PA requests for all plans and any medication

Get electronic determinations, often within minutes

Save and return to PA requests between other tasks

Access and complete pharmacy-initiated PA requests

## *It's simple to get started*

- 01. Create a free account today** or log in to your existing account at [covermymeds.com](https://covermymeds.com)
- 02. Find the right form for your patient** based on their health insurance information
- 03. Complete the form's requested fields and submit the PA to the plan with a few clicks**
